

HPZ Extreme Lift® HPZ Round Slings

The HPZ Extreme Lift® Round Sling is a High Performance Sling made from a custom blend of HMPE and Aramid Fibers. The fibers are enclosed in our **TUFF-ASH®** two ply red outer/yellow inner jacket.

- * Superior strength to weight ratio promotes easier handling, transporting and rigging.
- * Less than 1% stretch at rated capacity.
- * Serialized and proof tested to 200% of rated capacity.
- * Durable two-ply jacket protects load bearing fibers.
- * Seamless – No stitched edges that can rupture prematurely.
- * Conforms to shape of load to grip easily.
- * Manufactured in either endless or eye & eye configuration.
- * Contrasting outer and inner jacket colors help the user spot snags and tears.

Part Number	Vertical	Choker*	Basket**	Weight (lbs./ft.) approx.	Actual Body Width (in.)
HPZ 10	10,000	8,000	20,000	0.65 lbs	3.63"
HPZ 15	15,000	12,000	30,000	0.65 lbs	3.63"
HPZ 20	20,000	16,000	40,000	0.74 lbs	3.63"
HPZ 25	25,000	20,000	50,000	0.83 lbs	3.63"
HPZ 30	30,000	24,000	60,000	0.96 lbs	3.63"
HPZ 40	40,000	32,000	80,000	1.34 lbs	4.63"
HPZ 50	50,000	40,000	100,000	1.52 lbs	4.63"
HPZ 60	60,000	48,000	120,000	1.75 lbs	4.63"
HPZ 70	70,000	56,000	140,000	2.20 lbs	5.44"
HPZ 85	85,000	68,000	170,000	2.42 lbs	5.44"
HPZ 100	100,000	80,000	200,000	2.89 lbs	5.44"
HPZ 125	125,000	100,000	250,000	3.48 lbs	6.44"
HPZ 150	150,000	120,000	300,000	3.95 lbs	8.31"
HPZ 175	175,000	140,000	350,000	4.52 lbs	8.31"
HPZ 200	200,000	160,000	400,000	5.09 lbs	8.31"

Avoid temperatures above 158°.

*Choker hitch capacities are based on a choke angle greater than 120°.

**Basket capacities are based on a 90° basket hitch.

WARNING: Do not exceed rated capacities. All edges must be properly padded to avoid cutting cover and core yarns. Failure to follow proper inspection, care and use criteria may result in personal injury or death.
